

2025 Grant Impacts

The Nevada Division of Outdoor Recreation together with the Nevada Off-Highway Vehicles Program administered three grants programs in 2025 to support outdoor recreation, education, and safety across the state.

In 2025, these programs collectively resulted in:

- 37 completed projects serving all 17 counties and two tribal reservations
- \$1,163,437 investment in outdoor recreation, education, and safety
- \$702,021 in local match value

Nevada Outdoor Recreation Infrastructure Grant (NORI)

- 6 completed projects
- \$137,495 investment in outdoor recreation infrastructure
- \$57,082 in local match value

Nevada Outdoor Education & Recreation Grant (NOER)

- 22 completed projects
- \$222,928 investment in youth outdoor recreation and education
- \$288,627 in local match value

Nevada Off-Highway Vehicles Program

- 9 completed projects
- \$803,014 investment in OHV outdoor recreation, education, and safety
- \$356,312 in local match value
