The following information is provided pursuant to the requirements of NRS 233B.0603:

1) The need for and the purpose of the proposed regulation or amendment:

   The proposed regulation seeks to improve efficiency and efficacy of the program by clarifying the types of activities eligible for grant funding, updating applications that may be reviewed by the Division based upon workload feedback from the Advisory Board on Outdoor Recreation, and reflects changes set forth in Assembly Bill 164 from the 2023 Legislative Session that tasks the Advisory Board on Outdoor Recreation with serving as the Technical Advisory Committee for the Nevada Outdoor Education and Recreation grant program.

2) If the proposed regulation is a temporary regulation, the terms of the substance of the proposed regulation to be adopted, amended, or repealed, or as description of the subjects and issues involved.

   This is not a temporary regulation.

3) The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately and, in each case, must include:
   a) Both adverse and beneficial effects; and
      i) On Business: The Nevada Division of Outdoor Recreation (NDOR) foresees minimal to no beneficial or adverse effects on regulated businesses as a result of the adoption of the proposed regulation change. A beneficial result of implementing this regulation is increased efficiency in reviewing project proposals by increasing the proposals that may be reviewed by NDOR.

      ii) On the Public: The Division foresees minimal to no adverse effects on the public with the adoption of the proposed regulation change. Potential benefits include increased access to diverse outdoor recreation and education opportunities for Nevada's students.
   b) Both immediate and long-term effects.
      i) On Business: The Division foresees minimal to no immediate or long-term effects on regulated businesses as a result of the regulation.
      ii) On the Public: The Division anticipates minimal to no immediate or long-term effects based on the proposed regulations.
4) The methods used by the agency in determining the impacts on a small business.

   During the development of the proposed regulation, the public, including small businesses, were invited to provide comments during NDOR's public workshop held on March 14, 2024, or provide written comments directly to the agency. NDOR did not receive public comment during the workshop or any written comment from small businesses containing any feedback, concerns, or priorities. A business impact survey and analysis were not conducted to assess the impact of this regulation because the regulation does not have a direct impact on small business.

5) The estimated cost to the agency for enforcement of the proposed regulation.

   NDOR's Grants & Projects Analyst will continue the responsibilities related to the proposed regulations and this work will be incorporated into the job duties of this employee. The Division does not anticipate additional costs for enforcement of the proposed regulation beyond this allocated staff time.

6) A description and citation to any regulations of other state or local government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency.

   The proposed regulation does not overlap or duplicate any existing regulation. It amends a current regulation.

7) If the regulation is required pursuant to federal law, a citation and description of the federal law.

   The proposed regulation is not required by federal law and there is no equivalent federal law.

8) If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

   The regulation does not include provisions which are more stringent than a federal regulation that regulates the same activity.

9) Whether the proposed regulation establishes a new fee or increases an existing fee.

   The regulation does not establish a new fee or increase an existing fee.

10) If the proposed regulation is a temporary regulation, address each at which the text of the regulation may be inspected and copied.

   This is not a temporary regulation.

Persons wishing to comment upon the proposed action of the Nevada Division of Outdoor Recreation may appear at the scheduled public hearing or may address their comments in written form, to Kendal Scott at 901 S. Stewart St. Ste. 1002 Carson City, NV 89701 or k.scott@ndor.nv.gov. Written submissions must be received by the Nevada Division of Outdoor Recreation on or before Monday June 3, 2024.
